## **BRIDGE MAINTENANCE FOR QUEENSGATE**

**WHAT/WHEN:** Demolition will begin on closed south and center ramps from Evans Street to the Eighth Street Viaduct the **week of June 24, 2002**. Crews will completely remove the existing ramps from Evans Street and repair the piers.

The contractor, Buckeye Asbestos Removal Co., is scheduled to complete the work by October 2002. The Eighth Street Viaduct may have a lane closed, except from 7-9 am and 4-6 pm, due to the demolition of the ramp.

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the City of Cincinnati. The Department is also responsible for transportation planning, design, engineering services, structural and geotechnical services, right of way regulation and construction management. It is the clearinghouse for all City and regional transportation functions, including serving as a liaison to the Southwest Ohio Regional Transit Authority. Visit our website at [www.rcc.org/transeng](http://www.rcc.org/transeng) to learn of other construction activity occurring in Cincinnati.
